Copy B For Recipient

This is important tax information and is being furnished to the Internal Revenue Service. If you are required to file a return, a negligence penalty or other sanction may be imposed on you if this income is taxable and the IRS determines that it has not been reported.

INSTRUCTIONS TO RECIPIENT

Box 1. Shows the total unemployment compensation paid to you this year. This amount is taxable income to you. For details, see the instructions for your federal income tax return. If you expect to receive these benefits next year, see Form 1040-ES for estimated tax payments.

Box 2. Shows refunds, credits, or offsets of state or local income tax you received. If there is an entry in this box, it may be taxable to you if you deducted the tax paid as an itemized deduction on your Federal income tax return. Even if you did not receive the amount shown, for example, because it was credited to your estimated tax, it is still taxable if it was deducted. Any interest received on this must be included as interest income on your return. See the instructions for Form 1040 or 1040A.

Box 3. Identifies the tax year for which refund, credit or offset shown in box 2 was made. If there is no entry in this box, the refund is for taxes for the above calendar year.

Box 4. Shows voluntary withholding on Unemployment Compensation, Commodity Credit Corporation loans, and certain crop disaster payments. It also shows backup withholding. For example, persons not furnishing their taxpayer identification number to the payer become subject to backup withholding at a 31% rate on certain payments. See **Form W-9**, Request for Taxpayer Identification Number and Certification, for information on backup withholding. **Include this on your income tax return as tax withheld.**

Box 5. Shows alternative trade adjustment assistance (ATAA) payments you received. Include on Form 1040 on the "Other Income" line. See the Form 1040 instructions.

Box 6. Shows the amount of taxable grants you received from the Federal, State, or local government.

Box 7. Shows the amount of Department of Agriculture payments that are taxable to you. If the payer shown is anyone other than the Department of Agriculture, it means the payer has received a payment, as a nominee, that is taxable to you. This may represent the entire agriculture subsidy payment received on your behalf by the nominee, or it may be your prorated share of the original payment. See **Publication 225**, Farmer's Tax Guide, and the instructions for Schedule F (Form 1040), Profit or Loss From Farming, for information about where to report this income.

Box 8. If this box is checked, the refund, credit, or offset in Box 2 is attributable to an income tax that applies exclusively to income from a trade or business and is not tax of general application. The amount, if taxable, should not be reported on page 1 of Form 1040, but should be reported on Schedule C, C-EZ, or F (Form 1040), as appropriate.
